### COMPARER DES QUANTITES

Relier pour comparer

Y a-t-il assez de fraises pour les hiboux ? Comment le sais-tu ?

Y a-t-il autant de paniers que de fleurs ? Comment le sais-tu ?

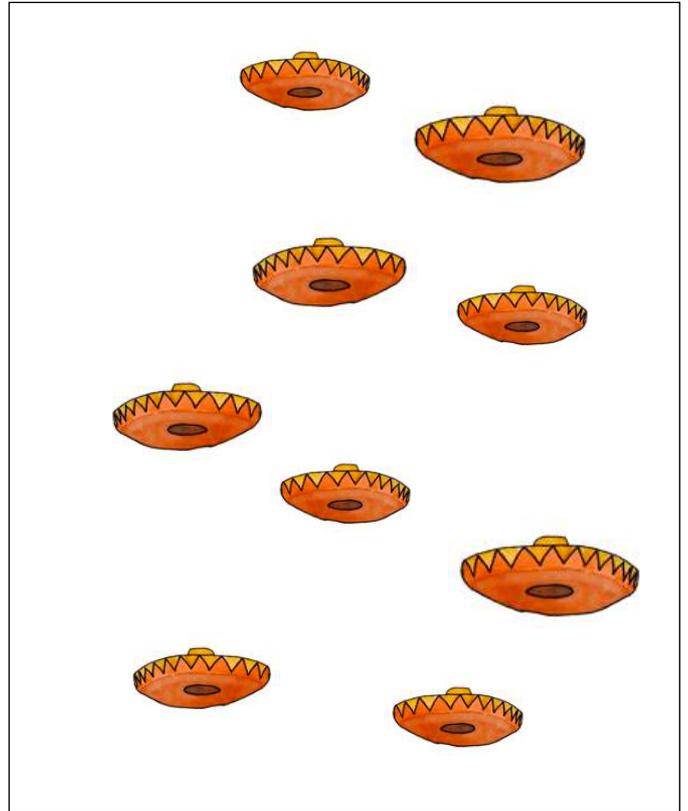

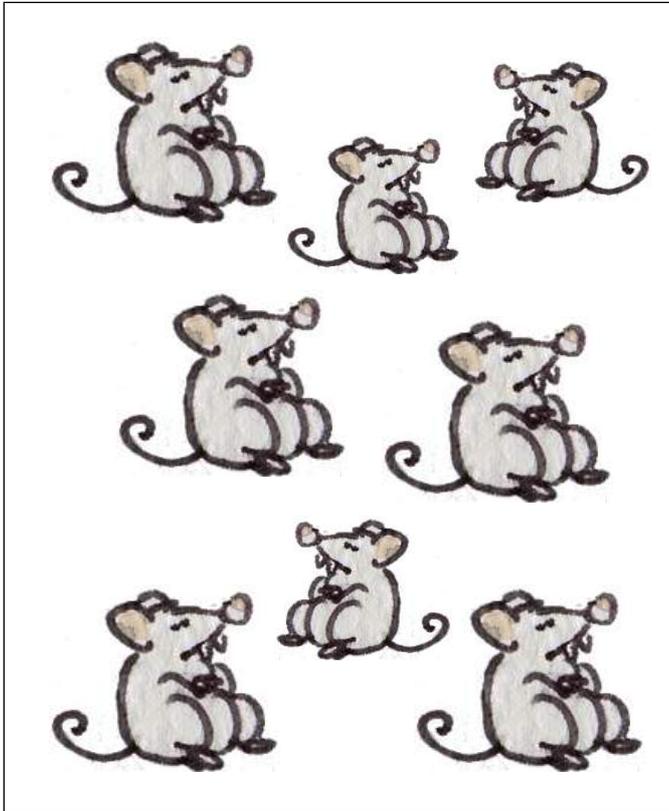

## COMPARER DES QUANTITES

Relier pour comparer

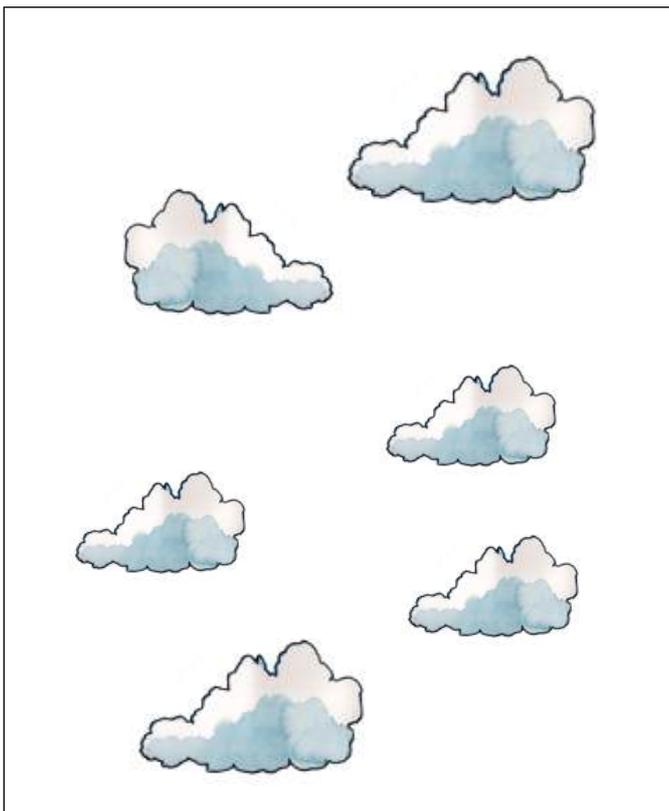

Y a-t-il assez de chapeaux pour les souris ? Y a-t-il autant de chapeaux que de souris ?

Combien de chapeaux en plus ou en moins ?

PRENOM : \_\_\_\_\_

Y a-t-il autant de nuages que de parasols ? Combien de nuages en plus ou en moins ?

### COMPARER ET SERIER DES QUANTITES

Les signes  $>$  ,  $<$  et  $=$  signifient :  
plus que... moins que... autant que...

Exemple : « Il y a autant de ... que de ... ». Ecris le bon signe en t'exprimant correctement
